

Ashby Sixth Form **PROSPECTUS**

Respect | Responsibility | Resilience | Success

Empowered to Learn

Welcome to your next step

Ashby Sixth Form is a large, vibrant and ambitious community where you'll find everything you need for your next step.

Our successful Sixth Form combines a proud history of student achievement with outstanding facilities and a contemporary curriculum – all on one stunning campus.

Our reputation for academic excellence ensures that a large number of our students go on to university education and that many more embark on a range of exciting careers.

However, we believe that Sixth Form life is about much more than classroom success.

Our extensive programme of extra curricular and enrichment opportunities enables all members of our Sixth Form community to push boundaries, explore their own potential and embrace our ethos that 'Anything is Possible'.

Our vision & values

At Ashby Sixth Form, the values of Showing Respect, Building Resilience, Accepting Responsibility and Securing Success underpin everything we do.

As a Sixth Form student, you will be part of a community that embodies and celebrates these values both inside and outside the classroom.

Like all Sixth Formers, you will serve as a role model for younger students and will be given the opportunity to play an active part in whole school events and activities, taking on rewarding leadership and mentoring roles and responsibilities.

We are committed to delivering a diverse and inclusive educational experience where everyone can enjoy, achieve and be 'Empowered to Learn'.

Our courses, your choices

As one of the largest Sixth Forms in the area, Ashby offers a very wide choice of Level 3 courses, including an extensive suite of A levels alongside more vocationally based qualifications.

This means that students of all abilities can follow a pathway tailored to their individual interests and aspirations.

To enter the Sixth Form, you must achieve at least five GCSE passes at grade 4 or above, including maths and English.

All of our post-16 courses are taught by experienced subject specialists who pride themselves on high quality teaching and learning, which includes the use of the latest technologies and creative teaching practices.

Our campus, your community

Ashby Sixth Form has its own dedicated campus where you can find everything you need to study, socialise and succeed. The campus has its own classrooms, science labs, library, study spaces, catering facilities and social areas, all for post-16 use only. All teaching and study areas are bespoke and/or recently refurbished to provide a bright and well-resourced learning environment.

Set in picturesque grounds, Ashby Sixth Form successfully blends a mixture of historic, listed buildings with modern, purpose-built classroom accommodation.

Sixth Formers also have access to the main Ashby School site, including the main library and its impressive performing arts and design facilities.

The Sixth Form has its own experienced pastoral team on campus, ensuring a caring and supportive environment for students throughout their post-16 journey.

Our timetable, your **time** to shine

All students are encouraged to embrace the ethos that 'Anything is Possible' by taking advantage of our varied timetable of extra curricular and enrichment opportunities.

You can choose from public speaking, the Duke of Edinburgh Award scheme, the Extended Project Qualification (EPQ) and a wide range of sporting and creative activities, including numerous sports clubs and competitions, the school musical and various musical groups and ensembles.

Regular educational trips and visits also help to reinforce student learning.

As a Sixth Form student, you can help to influence student life by applying to become a House Captain, prefect or member of the Student Council, where you can get involved in issues such as charity fundraising and environmental campaigning.

Opportunities like these will not only help to enrich your time with us but will equip you for life beyond Ashby Sixth Form.
