

French year 11-12 holiday homework

1. Produce a piece of writing in a poster format in French about your family (at least 100 words) and your relationships with them; you may include vocab from the induction lesson.
2. Write a side of A4 in English explaining 'why you have chosen to study French at A-level' - we do not want to just see a list of why people might study languages - we want **your** reasons for it!!
