

11th – 15th March

Focus of the week: Revision Videos – Ashby Core 4

If you head to the revision section of the website you can find 4 videos made by Mr Newton. These introduce you to the Ashby Core 4 revision techniques:

- Flash Cards
- Mindmaps
- Brain Dumps
- Self Quizzing

The screenshot shows the Ashby School website's revision section. The browser address bar displays 'ashbyschool.org.uk/revision'. The website header includes navigation links: Home, About the School, Students, Parents, News & events, Sixth form, and Contact. The Ashby School logo is visible on the left, and the tagline 'Culture at the heart of learning for 11 - 19-year-olds' is on the right. A search bar is also present. The main content area is titled 'GCSE Revision' and features a video player. The video title is 'Ashby School 'Core 4' revision: Flash cards' and the subtitle is 'How do I make one'. The video content shows a hand holding a pen over a piece of lined paper with the text 'What are the 4 types of erosion' and a list of erosion types: 'Hydraulic Action', 'Abrasion', 'Attrition', and 'Solution'. A 'Copy link' button and a 'MN' logo are visible in the video player interface.

Teachers will be using these techniques in lessons, so give yourself a head start and learn all about how to use them.
