NEW Yr 12

We are excited to announce that the University of Leicester will be running their Summer Series again this year. The summer series is three weeks full of webinars for students in Year 12, to help them prepare for their future and to see if Higher Education is their route. We are very lucky this year to be offering talks during this series by industry experts, including award winning GP Dr Dominique Thompson and Ahmar Ehsan from the Student Loans Company.

These talks will offer an insight into a variety of topics, including Student Life, How to choose a course and university, student finance, the UCAS process, careers in STEM and wellbeing support.

If you would like to attend any of these webinars please sign up here:
<https://data.heat.ac.uk/event/apply/le/university-of-leicester-summer-series>
– we will be emailing out the webinar video links closer to the time.

Summer Series talks:

- Student Life - an insight into the life of a current Biological Sciences student at the University of Leicester. *Wednesday 23rd July 2025 16:00-16:30*
- Student Life – an insight into the life of a current Psychology student at the University of Leicester. *Thursday 24th July 2025 16:00-16:30*
- How to choose a course and university - A talk dedicated to support students in narrowing down their search to find their dream university and course. *Friday 1st August 2025 11:00-11:30*
- The UCAS Process and Personal Statements - An overview of the application process, the UCAS form and how to write a perfect personal statement. *Friday 8th August 2025 11:00-12:00*
- Women in STEM – Careers Panel – Join this STEM Careers Panel to learn all about the varied careers you can go into after a STEM degree, how a STEM degree carries a huge opportunity for transferable skills development. This session also will give you the space to ask questions. *Tuesday 5th August 2025 11:00-11:30*
- Staying Well in an Uncertain World; Wellbeing skills for life and managing exam stress. - This talk tackles mental health issues, with a focus on academic stress, perfectionism, fear of failure, famous failures, building your independence ready for life after school, and the Top 4 things you can do to stay emotionally well in life.
- You will discover where and when to get help, and how to revise successfully without getting overwhelmed. There is a focus on going to

university, but the info is applicable whatever you do after school.

Monday 21st July 2025 16:00-17:00

- Student Finance Explained - Run by Ahmar Ehsan, who works for Student Loans Company (SLC) giving a general introduction to Student Finance *Tuesday 29th July 2025 11:00-12:00*

For your students that are interested in Medicine, I am also pleased to share the below opportunity:

Gangrene, Mental Capacity and the Law – Tuesday 19th August and Wednesday 20th August

A 2 day interdisciplinary non-residential experience looking at;

The medical management of gangrene: From diagnosis to treatment options, including the role of amputation and emergency care.

The legal implications: Navigating the legal responsibilities of healthcare providers when patients face critical decisions.

Mental Capacity Assessments: Understanding how the Mental Health Capacity Act guides consent and treatment decisions, especially when patients may lack capacity due to mental health issues.

Ethical Dilemmas: Balancing the urgent need for medical interventions with the rights of patients to make informed decisions.

Virtual Medical Work Experience:

Live Virtual NHS Allied Healthcare Work Experience session, which will take place next Sunday 6th July, from 8:30am to 5pm.

Registration Link:

<https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>.

At the start of the session, students will hear from our distinguished guest speaker, providing a rare chance to glean insights from an allied healthcare professional who works within the NHS. They'll then delve into the Live Work Experience session on the theme of Pain Management & Mental Health.

Students will gain invaluable perspectives on patient care dynamics and the collaborative efforts within the NHS, including exploring careers within:

- Nursing**
- Midwifery**
- Paramedicine**
- Physiotherapy**
- Occupational Therapy**
- Dietetics**
- Radiography**
- Prosthetics and Orthotics**
- Speech and Language Therapy**
- Pharmacy**

Once they've registered, students will be emailed links to their virtual work experience portals.

Students are awarded a Work Experience Certificate for every session they complete. Those who complete the full 6-month programme will be awarded a Highly Commended Reference from the Presidents of Allied Healthcare Mentor. These are fantastic additions to your CV!

You can sign up for each session individually or for the entire 6-month programme at any time by following the link below. We recommend early booking to maximise the benefits of this programme. Each session costs £10, or you can secure all 6 sessions for £50 to cover administrative and technological expenses

The advertisement features a blue header with the text 'Stronger Starts' in white, accompanied by a small cluster of raspberries.
