

GCSE Art Craft and Design

Exam Board: AQA

Exam Dates:

Monday 20th and Tuesday 21st April 2026

Revision Resources Available

Virtual Schools—fortnightly folders with lesson by lesson tasks

Project checklists

Example projects in the classrooms

Subject staff

Assessment feedback—read feedback sheets and act on advice.

After school club Monday Day 1 and Tuesday Day 7

Exam Paper and Content:

The GCSE Art exam paper is a series of themes generated by the exam board and released on January 1st.

Students pick one theme and produce a body of practical and written work.

Work produced in lessons and for homework from 1st January until the two day exam (20th and 21st April) will all count towards 40% of the GCSE grade.

The structure of the exam component is the same as the coursework component.

The two day exam will be where students create a final piece of artwork. Students will have practised what they make in the exam before hand.

Additional Notes:
