Unifrog have launched Talent pool for Y12-13!

Here students can receive personalised apprenticeship opportunities directly from employers using information they've already provided on Unifrog.

Why join Talent pool? Students can receive unique course and apprenticeship opportunities directly from universities and employers, tailored to their interests, skills, and academic profiles.

Employers and universities including the National Grid, Childbase, and King's College London are currently using Talent pool to share opportunities with students exploring their options for next year so now's the perfect time to dive in!

Here are some of the other employers and universities who are using Talent pool:

Students sign up to Talent pool using information they've already added to Unifrog.

Employers and universities will see limited information about students, including careers and subjects they're interested in and predicted grades. Students can see what information will be shared with employers and universities when they sign up.

No student contact details are shared. **[** CLICK HERE TO SIGN UP**](#)**
