### **Deadline for Applications:**

Please ensure all applications are submitted by **Friday 24th July 2026** to guarantee transport arrangements are in place for the start of the new school year.

Early submissions help us process applications efficiently, but please be aware that some routes may reach full capacity before this date and therefore you may have to choose the next available service or be added to a waiting list.

While applications are processed in order of receipt and we aim to get every child onto a service, this doesn't necessarily guarantee the service you apply for.

### **Payments:**

We offer payments as follows:

- 1, 3 or 8 instalments with payment to be made by **1<sup>st</sup> August 2026**
- 10 instalments with the 1<sup>st</sup> payment to be made by **1<sup>st</sup> June 2026**

### **Important Update:**

Please be aware that some transport routes have been updated for the 26/27 academic year. This includes changes to routes, as well as arrival and departure times. We strongly recommend reviewing all available routes and the areas they cover before selecting the most appropriate option for your child.

We will review the service you have selected and will contact you if we believe there is a closer or more appropriate route available. You will be notified of the final route assigned to your child **by Friday 7<sup>th</sup> August 2026**.

### **LCC/DCC Entitlement:**

We are currently awaiting confirmation from Leicestershire County Council and Derbyshire County Council regarding which students are entitled to funded transport. At this time, **we are not accepting LCC or DCC applications**, but please be assured that seats will be reserved on each route for eligible students. Once we receive the list of eligible students, we will provide further instructions on how to apply for a pass.

If you have any questions or need help with the application process, please get in touch using the link below. Please note that we are currently unable to respond to telephone enquiries during this busy period:
