

Dear Parents & Carers,

Apprenticeship Academy - 5 week programme, starting Weds 10th June

We are delighted to inform you that we have invested in a new programme called the Apprenticeship Academy. Aimed at students in Years 10-13 who are considering or seeking an apprenticeship to ensure they have everything they need to be successful on their journey.

It is of the utmost importance to us that our students are able to get specialist advice on all their options when they finish their education with us. If your child has an interest in finding an apprenticeship, the programme will cover the following topics:

- Week 1: What Apprenticeship am I looking for?
- Week 2: Where can I find Apprenticeships?
- Week 3: How can I write successful applications?
- Week 4: What will the application process be?
- Week 5: How can I approach interviews and assessments?

The sessions are led by a qualified careers advisor who will provide students with tailored support and advice during the 5-week programme which runs online on Wednesdays from 4.00pm to 5.30pm. If a student cannot attend at this day/time, then they can watch the recording at a time that suits them. **The start date will be Wednesday 10th June 2026. Students need to register for a free place on the course, by completing this form: [Sign-up form to book your place](#)**

You can read more about the programme [here](#) or find further information on their Instagram or TikTok pages, just search “apprenticeshipacademy”.

Additionally, our school community has access to a Padlet with a range of resources to support us and our young people at every stage of their apprenticeship journey. We have access to this during and beyond our subscription. Please feel free to use it and share it on [Student Resources for Apprenticeships](#)

We believe this is a fabulous addition to our careers programme and will further support our young people onto their next steps.

Kind regards,

Mrs Marlow
