10. Implementation, communication, and review	7

1. Purpose

This policy:

- establishes a **mobile phone-free environment during the school day by default**
- reduces disruption, improves focus, and supports learner wellbeing and positive behaviour
- supports safeguarding, including reducing risks of bullying, harmful content, filming/sharing, and online incidents
- sets consistent expectations for learners, staff, and parents across the LiFE Multi-Academy Trust

1.1 Relationship to other policies

- Behaviour Policy
 - Searching, Screening and Confiscation procedures (school-level, aligned to DfE searching guidance)
 - Child Protection/Safeguarding Policy (KCSiE)
 - ICT Acceptable Use / BYOD (mobile phones excluded from BYOD)
 - Equality, SEND, Supporting Learners with Medical Conditions
 - Educational Visits / Trips Policy
-

2. Scope and definitions

2.1 Devices covered

This policy applies to **mobile phones** and **smart technology with similar functionality**, including (where relevant):

- smartphones and feature phones
- smart watches capable of messaging/notifications/recording
- devices capable of audio/video recording or internet access via networks

Schools may extend this to other devices (e.g., personal tablets) via their local schedule.

2.2 What “school day” means

The **school day** includes:

- CREW, lessons, transitions between lessons, breaktimes and lunchtimes
-

3. LiFE MAT minimum standards

All LiFE MAT schools must:

1. Operate as a **mobile phone-free environment by default** during the school day. Any departure is **exceptional and justified**.
2. Ensure learners **do not have access** to their mobile phone during the school day (how this is achieved is a school decision).
3. Set clear **sanctions**, including when **confiscation** is used, and ensure consistent enforcement.

inspiration innovation integrity

4. Include mobile phones/smart devices in the list of items that **may be searched for** (within legal powers) and align practice to searching guidance.
 5. Build in **reasonable adjustments/adaptations** for learners who need access because of disability/SEND or medical needs (e.g., diabetes monitoring), with individual plans.
 6. Set expectations for **staff conduct** (staff should not use phones for personal reasons in front of learners during the school day, with defined exceptions).
-

4. Local school implementation choices (School Implementation Schedule)

4.1 School model

Our approach as a school is as follows:

For Years 7 to 11 it is a “Not seen, not heard” policy. Phones must be switched off during the school day and not seen. If phones are seen then they are confiscated until the end of the school day.

Years 12 & 13 – Can be used appropriately on the KS5 site.

4.2 Device state rule

- Students are permitted to use their mobile phones in school before the start of CREW. They are not permitted to be used inside buildings. Staff to direct students outside if seen.

4.3 Parent contact arrangements

- Parents/guardians receive an automated notification through Arbor that their child has had their mobile phone confiscated. After three occurrences parents are expected to come to school to take receipt of it.

4.4 Sixth form (if applicable)

- Students are permitted to use their mobile phone for learning purposes in lessons / CREW time when directed by their teacher (this includes in classrooms on the KS3/4 site)
- Students are permitted to use their mobile phone on the KS5 site when they are not in lessons
- Students are permitted to use their mobile phone in supervised study for learning and/or music
- Students are prohibited from using their mobile phone on the KS3/4 site (including the library) unless they are in lessons

4.5 Trips and outside normal hours

Students are allowed access to their phones on school trips

5. Expectations and rules

5.1 Learners

Learners must not:

- use phones/smart devices during the school day (including breaks and transitions)
- record audio/video or take photos on site unless explicitly authorised for curriculum purposes
- use devices to contact others during the day

Learners should be taught:

inspiration innovation integrity

- risks of phone use (distraction, disruption, bullying) and benefits of phone-free culture

5.2 Staff

- Staff must consistently enforce the school's rules
- Staff should not use personal phones in front of learners who may be present during the school day, except where authorised (e.g., school systems for behaviour/rewards, medical emergencies).
- Staff are permitted to use their mobile phones to access Arbor to support with student timetable information
- Staff may wear smart watches or similar devices. Brief and discreet interaction with a smartwatch (for example, to check a notification, time, or work-related alert) is permitted where it does not disrupt teaching, supervision, or engagement with learners. Staff must not use smart watches to send messages, access social media, record audio/video, or otherwise engage in personal communication while supervising learners unless there is a clear professional or safeguarding reason.

5.3 Parents/carers

- Parents should support the policy and direct daytime contact via main reception and use of the enquiries email
- Parents should understand any exception plans and reinforce expectations at home

6. Sanctions, confiscation, and returns

Explain the sanctions you will use if a learner is in breach of this policy.

6.1 Minimum suggested stepped response

1. **First breach:** confiscation until end of day
2. **Repeated breach:** confiscation until parent collection / longer period proportionate to outcome
3. **Persistent refusal/non-compliance:** escalation to SLT and additional restrictions put in place

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

7. Searching learners (summary statement)

inspiration innovation integrity

- Headteachers (or authorised staff) have statutory powers to search where there are reasonable grounds and where items are prohibited by school rules; schools can identify mobile phones as an item that may be searched for within the behaviour policy.
 - All searching must follow the school's Searching, Screening and Confiscation procedures aligned to [DfE searching guidance](#).
-

8. Reasonable adjustments and exceptions

8.1 Core principle

A phone-free environment is the default, but schools **must** meet legal duties and make **reasonable adjustments**.

8.2 Typical exceptions (examples)

- **Medical needs** (e.g., diabetes monitoring via phone) where preventing use would be unreasonable
- **Disability/SEND** where access is necessary to avoid substantial disadvantage (Equality Act)
- Other exceptional circumstances assessed case-by-case (e.g., young carers)

8.3 How exceptions work (required)

Where Parents/Carers or other adults believe their child requires their phone for any of the above, they should contact either Mrs Rundle-Brown (Senior Deputy Headteacher & DSL), Mr Binns (Deputy Headteacher) and Mrs Blackburn (SENDCO). If approved the following will be clearly communicated to parent/carer, staff and learner:

- permitted purpose
 - permitted times/locations (e.g., Head of Year office)
 - supervision arrangements
 - how to minimise wider access/distraction
-

9. Safeguarding, online safety, and incidents

- If phone misuse raises concerns that a learner may be at risk of harm, staff follow safeguarding procedures and involve the DSL.
-

10. Implementation, communication, and review

10.1 Implementation expectations

Each school must:

- brief staff and train on consistent enforcement
- educate learners on rationale and expectations
- publish the policy and communicate it clearly to parents

10.2 Monitoring arrangements

This policy will be reviewed annually by a Director of School Improvement for LiFE Multi-Academy Trust. At every review, it will be approved by the board of trustees.
