

April 2026

Dear Parent/Carer,

As part of our ongoing commitment to provide a personal development curriculum that complements our academic studies, we are currently reviewing our Relationships, Sex and Health Education (RSHE) policy and curriculum. This is to ensure we continue to meet the latest government guidance and the needs of our pupils. Part of the development is consulting with parents around these changes.

### Why We're Consulting

We want our RSHE provision to reflect:

- The age, maturity and backgrounds of our pupils
- The values and aspirations of our school community
- The statutory requirements set out by the Department for Education

Your feedback as parents and carers is essential to help us achieve this.

### How the Consultation Will Work

- You can view our draft RSHE policy and curriculum overview [here](#) or request a paper copy from the school office.
- Please share feedback by completing our online feedback survey: [Relationships, Sex and Health Education at Ashby School - Parent/Carer Consultation – Fill out form](#)

### What Happens Next

- The consultation will be open until 22<sup>nd</sup> May 2026.
- After the deadline, we'll review all feedback and make any necessary amendments.
- We'll then publish the final policy and communicate any changes to you.

### Further Information

To help you understand what your child will be learning, the Department for Education has produced the following resources:
