Preparing for Exams

Breakfast sessions provide an opportunity for students to speak with subject teachers shortly before their exams, ask any final questions, and collect a bottle of water and a light snack if they wish. Students must remove the label from the water bottle.

Students will need to move out of the canteen at 08:35, go to their bag room for 08:40 and wait outside of their exam room at 08:45 to be called in. They will be able to use their school access card to enter B block during the exam period.

Revision sessions taking place in lessons will be on student timetables. Some revision sessions take place in normal timetabled lessons.
