

Empowered to Succeed

Preparing for Exams

Breakfast sessions provide an opportunity for students to speak with subject teachers shortly before their exams, ask any final questions, and collect a bottle of water and a light snack if they wish. Students must remove the label from the water bottle.

Students will need to move out of the canteen at 08:35, go to their bag room for 08:40 and wait outside of their exam room at 08:45 to be called in. They will be able to use their school access card to enter B block during the exam period.

Revision sessions taking place in lessons will be on student timetables. Some revision sessions take place in normal timetabled lessons.

The breakfast session on Friday 5th May will take place in B9.
