Below the navigation bar, there is a section titled 'I NEED TO TALK' which is circled in red. This section contains a form with a text input field for a brief reason, a button labeled 'I need to talk', and a message stating: 'We may not be able to respond to you as it is now out of school hours. If you need support then please report to the year room on your return to school.' Below the form, there is a message: 'We will do our best to contact you within one school day.
